VOL. XXIII, NO. 237 GAINESVILLE, FLORIDA, TUESDAY, NOVEMBER 13, 1906 TEN CENTS A WEE

PAT M'CARREN WILL HAVE TO EXPLAIN

Brooklyn Leader Charged With Knifing Hearst.

"PLACE WITH REPUBLICANS"

Latest Returns Show All Democratic Candidates, with the Exception of Hearst, Chosen by Small Majorities, Though Count May Change It.

New York, Nov. 12.—The Democratic state committee met here and by a vote of 30 to 13 adopted a resolution providing for an investigation of the conduct of the Kings county Democratic organization, headed by State Senator Patrick McCarren, during the campaign just closed.

A delegation of Brooklyn Democrats headed by Patrick Hays, warden of Kings county penitentiary and a former leader of one of the assembly districts included in Senator McCarren's senatorial district, preferred charges against the senator and the Kings county committee. It was alleged that McCarren had "knifed" the head of the ticket and urged his followers to do the same.

The state committee also took steps to defend any action that may be taken by the Republicans to overthrow the pluralities which seem to exist in the Democratic candidates on the state ticket from lieutenant governor down.

Warden Hays and his associates remained with the committee for 40 minutes and during that time there were frequent outburst of applause. The delegation asked that Senator McCarren be relieved from further service on the committee. It was declared by the spokesman that McCarren's place is with the Republicans.

It was asserted that the action of Senator McCarren and the Kings county committee "destroyed the Democratic oganization of the county and made that organization simply an annex or ally of the Republican organization."

Senator McCarren declared in reply that at a meeting of the Kings county committee he had said some things about Mr. Hearst, "and if the opportunity presents," he declared, "I shall repeat them. When a fellow hits you in the jaw I do not believe in turning the other cheek. I believe in striking back straight from the shoulder. If on another occasion I could make my statements regarding Mr. Hearst any more emphatic, I should certainly do so.

"Mr. Hays, who is here opposing me never voted a Democratic ticket in his life. I have never voted a Republican ticket. I deny that I knifed the ticket of the Buffalo convention. As to Mr. Hearst, I regard him as the bolter, not myself. And the Kings county organization regarded him as a bolter."

Mr. McCarren concluded by offering a resolution providing that the investigation be extended to all the counties of the state where Mr. Hearst ran behind his ticket. The amendment was lost, and then the motion to investigate the Kings county organization was carried. The investigation committee will be named later.

The committee discussed the situation regarding the belated returns from some counties up-state and a number of speakers pointed out what they declared to be the necessity for extreme vigilance to see that correct and regular returns are made. In this connection W. Bourke Cockran offered a resolution, which was adopted, declaring that "each member of this committee be instructed to place himself in communication with all local representtives of the party organization in his district for the purpose of verifying the results of the late election."

Subsequent to the meeting it was announced that Perry Belmont, representative from the senatorial district included in Nassau county, had resigned. Mr. Belmont had been serving on the committee temporarily since the Buffalo convention. Mr. Belmont voluntarily retired.

FLAMES RAGE AT WARRENTON

Warrenton, Ga., Nov. 12.—Fire broke out in the store of R. M. Hardaway, and before it was checked it had destroyed property to the valuation of of $52,000, on which only $17,500 of insurance was carried. It is thought the fire was caused by a rat igniting a match. There was a big stock of matches in the store of Mr. Hardaway at the time.

The Citizens' bank building was destroyed, and the loss is about $5,000, fully covered by insurance. The bank wil open for business in a new stand. It will immediately rebuild, as will most of the merchants who were burned out. A new hotel has also been projected.

More Clothes for Bluejackets.

Washington, Nov. 12.—The secretary of the navy will ask congress at the next session for more money to clothe the bluejackets than they are now allowed. It is found that the $40 of the present allowance will not give the sailors of the navy a sufficient outfit and it has been decided to increase the estimate for clothing by $70,000 so as to permit of an increase of the allowance to $160 per man.

Trades Dispute Bill.

London, Nov. 12.—The house of commons has passed the third reading of the trade disputes bill, without a division. The tone of A. J. Balfour's speech announcing that the opposition would not oppose the third reading, indicated that he did not expect that the house of lords would materially end the measure.

COAL COMPANY DOCKS DESTROYED BY FIRE

Fire Originated From Some Unknown Cause.

ESTIMATED DAMAGE IS $757,000

The Flames Spread So Rapidly that the Employees Were Forced to Run for Their Lives—Coal Is Still Burning.

Chicago, Nov. 12.—The docks of the Lehigh Valley Coal company situated at One Hundredth street and Commercial avenue, were destroyed by fire Saturday, causing a damage, as estimated by the officers of the company, of $757,000.

The fire originated from some unknown cause in the engine room, which was situated in the basement of a coal house in which 50,000 tons of hard coal were stored. The fire spread so rapidly that the employes were forced to run for their lives without being able to send word of the fire to the down town offices of the company.

The vast pile of coal is still burning, and it is expected that it will be several days before the fire is entirely extinguished.

Will Replace Negroes.

Oklahoma City, Okla., Nov. 12.—It is believed at Fort Reno, Okla., that the four companies of the Twenty-sixth infantry, which were started for that post Friday night on a special train, are to take place of negro members of companies B, C and D of the Twenty-fifth infantry, recently ordered dismissed by President Roosevelt as a result of the riotous disturbances in Brownsville, Texas, of Aug. 13. A telephone message from Ft. Reno developed the information that the officers at the post there had not been advised of the dispatch of the troops from San Antonio, although infantry had been expected to take the place of the disbanded negro troopers. No trouble had occurred, it was said.

Fight on Streets.

Valdosta, Ga., Nov. 12.—Two prominent Valdostans had an exchanged of blows near the Citizens' bank. Dr. L. Holtzendorff and Mr. David Shaw had a dispute in regard to some material that went in the new residence of Dr. Holtzendorff and furnished by Mr. Shaw's concern. It was purely a misunderstanding, but they discussed the matter with a good deal of spirit, which led to blows. Both got in good licks, and there was blood from both, though neither was seriously hurt. Bystanders ran in and separated them. It was generally agreed that the honors were about even, and the friends of both are glad that they decided to settle their differences without a deeper stain.

Football Reaches Climax.

Chicago, Nov. 12.—Football in the middle west reached its climax Saturday when the elevens of Minnesota and Chicago universities lined up on Marshal field. With neither eleven scheduled with Michigan or Wisconsin, no championship claims were possible from the result but the prospect of seeing "reformed" football in its highest development by the swift back field and the tremendous and heavy line of Minnesota, drew record-breaking crowds to the field. Minnesota had an enormous advantage in weight. The Minnesota line men averaged 194 pounds to 182 for Chicago, while in the back field the advantage was still more pronounced, Minnesota's back field averaging 177 pounds to 158 for Chicago.

MANY BURIED IN HOTEL RUINS

Collapse of Five-Story Structure at Long Branch California.

Long Beach, Calif., Nov. 12.—With no warning, save the cries of the workmen who first felt the floors sag beneath their feet, five stories of the central wing of the new $750,000 hotel collapsed, carrying nine men to death in the tons of tangled wreckage. About 150 workmen were scattered through the structure when it fell, and of these nearly 100 were carried down in the debris.

The building was of re-inforced concrete, and the men were crushed to death beneath tons of mortar and iron.

Five bodies have been taken from the debris, and one of the injured died at the Long Beach Hospital. Three other bodies have been located in the ruins, making nine known victims.

Thirteen men are accounted for and nine injured are being cared for at the hospitals. None of the injured will die.

Will Be British Ambassador.

New York, Nov. 12.—The Times says it was ascertained in this city Friday night that Cecil Arthur Spring Rise will probably be the next ambassador to this county from Great Britain. As far as could be learned the British foreign office has not yet definitely decided on the appointment, but of all those mentioned for the office, Mr. Spring Rise is regarded as the most probable appointee. Mr. Spring Rise is at present in Persia, having succeeded Sir A. H. Hardange there. Before that he was first secretary of the embassay at St. Petersburg. He was born in 1859 and was educated at Eton and Balliol, Oxford. Mr. Spring Rise is compratively a young man for the post at Washington, D. C.

One Man Killed in Wreck.

Blanchester, O., Nov. 12.—A wreck on the Baltimore and Ohio Southwestern railroad resulted in the death of one man and the injury of seven other persons, 6 miles west of here. Three little children of one family were injured, one having its legs crushed. All the crew escaped except Conductor Graham, he being slightly hurt.

The Merida expects to be in touch with the president as far as Havan, Cuba."

The cost of the tablet was about $150. The tablet had been pried off of the monument with crow bars, the face of the monument being defaced in the operation. The police have information that the theft was committed by men who drove to the cemetery in a buggy.

MUTUAL LIFE BARRED FROM OLD KENTUCK

Action of Agents Said to Ha Been the Cause.

TOO QUICK FOR INJUNCTIO

In a Statement to the Public He Declares that the Policy of the Company Is Such It Should Not Be Allowed to Do Business.

Lexington, Ky., Nov. 12.—Attorneys Saturday representing the Mutual Life Insurance company of New York, and President Charles A. Peabody, of that company, secured from the Franklin county circuit clerk a injunction directed to State Insurance Commissioner Henry R. Prewitt, restraining the commissioner from revoking the license of the concern to do business in the Kentucky field.

The notice of injunction was served onCommissioner Prewitt at noon, before he made public his opinion, but he stated that the license was revoked last night.

In a statement issued Saturday afternoon in support of his action revoking the license of the Mutual Life Insurance company of New York to do business in Kentucky, Commissioner Prewitt says the position of the present management of that company in endeavoring to elect the administration candidates for trustees is "Oppressive, dictatorial and unlawful, and a company thus managed should not be permitted to further insure the lives of the people of this state." In part the statement reads:

"In my opinion the agents of the company are required to be loyal first to the policy holders, and if they believe and have grounds for belief that the present management of the company is not wise, and for the best interests of the policy holders, it is not only the privilege but the duty of such agents to say so to the policy holders. It is a mistaken idea that the agents owe personal allegiance to the present board of trustees, or to any board of trustees. Their allegiance is, under the law, to the company.

"I regard the proceedings of Peabody and of his colleagues as being destructive of the principles of mutuality; as tending to prevent a full, fair and free discussion of the policy holders among themselves by those who are in the best position to know who the officers are and what their interests are; that such action is contrary to the spirit of the charter of the company and if tolerated, would destroy absolutely the mutual features.

"After a full and careful consideration of the charges made against the management of the Mutual Life Insurance Company of New York I have reached the conclusion that the company should not be permitted to continue to insure the lives of the citizens of this state. The present policy holders of the company will in no way, be affected by my action. A continuation of the authority heretofore granted the company would be an endorsement of the acts of the present managements of the company."

Given Ten Years.

St. Petersburg, Nov. 12.—The man named Schehter, who threw the bomb at Police Captain Samsonoff, of Bialystok, one of the terrorists participating the Jewish massacre was convicted and sentenced years at hard labor. The prisoner who is a mere youth, testified that he entered the terrorist organization as a spy at the instance of the police in 1904, and served them faithfully for two years. He became converted to the theory of the revolutionists and determined to plunder the treasury by killing Samsonoff.

ANNUAL REUNION OF VETERANS; CEREMONIES WILL BEGIN TODAY

One of the Most Glorious Occasions in History of Gainesville.

FINE MEETING ANTICIPATED

Confederate Heroes, Rank and File, Here in the City From Everywhere. Sons of Veterans and Daughters of Confederacy Are Also Here.

For the first time since its organization, the city of Gainesville has the honor of entertaining the officers and members of the Florida Division, United Confederate Veterans, together with the Sons of Confederate Veterans and many representatives of the Daughters of the Confederacy of Florida, the occasion being the annual reunion of the Veterans. All during Monday trains from every direction brought scores of distinguished heroes of the Confederacy, the sons, wives and daughters, and as the shades of evening folded to its bosom the dying day, the city presented a busy and most interesting spectacle, as the veterans of the struggle of '61-65 walked leisurely along the streets or sat comfortably at various sections of town discussing the experiences of those days and relating reminiscences which are as fresh in their memories as if they occurred a fortnight ago. Notwithstanding that many of them are bended with age, having reached the period of a golden sunset in this life, the assemblage is a jolly one, and one which is anticipating a great deal of pleasure from the reunion, the ceremonies of which will begin at the Tabernacle at 11 o'clock today.

Distinguished Visitors.

While every Confederate Veteran within the corporate bounds of Gainesville today is a hero, there are many distinguished persons present which, by virtue of their high rank, are especially deserving of mention. Among these are former Governor Francis P. Fleming of Jacksonville, Major-General of the Division; Brigadier-General Samuel Pasco of Monticello, commanding the First Brigade; Brigadier-General J. C. Davant of Brooksville, commanding the Second Brigade; Brigadier-General Wm. H. Jewell of Orlando, commanding the Third Brigade; Right Rev. E. G. Weed, Jacksonville, Chaplain-General, Florida Division.

Mrs. Patton Anderson of Palatka, widow of the famous Kentucky general, and honorary president of the State U. D. C., and Mrs. Dayedale of Jacksonville, also an honorary president of the same organization, are among the guests of honor.

The Sponsors and Maids.

A number of Florida's fairest daughters have been selected as sponsors and maids of honor, and will honor the reunion with their presence. The Division sponsor is Miss Alene Buckman, and her maid of honor Miss Gladys Haile, both of Jacksonville. For the First Brigade, Miss Adele M. Chaffin sponsor, Miss Vera McDavid maid of honor, both of Pensacola; Second Brigade, Miss Lucille Colclough of Gainesville sponsor, Miss Sara E Harris of Ocala maid of honor; Third Brigade, Miss Mary Howard of Orlando sponsor, Miss Mae Belle Milam of Apopka maid of honor. The sponsor for Stonewall Camp, Gainesville, is Miss Irene McCreary, and maid of honor Miss Mabel Voyle.

Kirby Smith Reception.

One of the most enjoyable features of the reunion will be the reception, which will be tendered by Kirby Smith Chapter, U. D. C., at the Tabernacle this evening. The ladies of the Chapter have been active for the past few days in making preparations for this event, and a most delightful evening's entertainment is anticipated. A musical program will be rendered, beginning at 8 o'clock, which will be followed by the reception, to which the Veterans and their wives, members of the G. A. R. and their wives, Sons of Veterans, Daughters, sponsors and maids of honor are invited.

Wednesday Night's Ball.

The grand ball to be given by the Veterans complimentary to their sponsors and maids of honor at the opera house promises to be a delightful climax of the reunion of 1906. Dancing will begin promptly at 8:30 o'clock. At the request of Stonewall Camp the ladies of J. J. Finley Chapter, U. D. C., together with other ladies of the city, will have charge of the decorations and refreshments, and they have been busy for the past two or three days on the same.

Some attractive dishes are made with Lard. It's like serving indigestion with a sugar coating

DISCRIMINATING LADIES.

Enjoy Using Herpicide on Account of Its Distinctiveness.

The ladies who have used Newbro's Herpicide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it allays that itching which dandruff will cause. Newbro's Herpicide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it, Herpicide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Cole Bros'. Big Circus.

No matter what engagements you may have made for Thursday, Nov. 22, the day and date that Cole Bros' United Shows will exhibit in Gainesville, break them now. If you cannot attend the afternoon or evening performance you can ill afford to miss viewing the gorgeous street parade at 10 a. m. and the thrilling free out-of-doors exhibition to be given immediately afterwards on the show grounds and again at 6:30 p. m. If necessary, miss former, but not latter, which will prove the biggest surprise treat of the year. M'lle Zizzi, one of the fairest daughters of France, has been especially engaged by Cole Brothers to "span death's arch" upon a slender bicycle and this she does twice daily. This is an act which has never been attempted before by any woman, even the most fearless of whom gasp with horror every time they witness it. What no other lady cyclist would ever dream of trying, M'lle Zizzi accomplishes every week-day morning and evening with as much unconcern as the average person would exhibit when partaking of dinner. Ascending a tall fragile wooden incline plane to the top, mounting a light bike and riding toward the earth at terrific speed, then arching a 55-foot death gap and landing upon the other side in safety is the frightful feat executed by this intrepid beauty. There is absolutely no charge made; it is presented in the open air as stated above, *free* to all who will visit the show lot.

G.B.Burhans Testifies After Four Years

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease have disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to anyone suffering from kidney or bladder trouble." CATTLE SHIPMENT TO STATE FAIR

Spring Park Stock Farm Will be Well Represented at Tampa.

IS A MAGNIFICENT HERD

Attracted Great Attention When Driven Through Streets and Loaded Into Cars—Number Prize Winners in the Lot—Reach Tampa Today.

The cattle and stock of the Spring Park Stock Farm Company intended for the State Fair were brought to this city Monday and loaded, and left on the evening of the same day for Tampa. Three cars were required for the accommodation of the shipment, which comprises two carloads of fine Hereford cattle and one carload of registered hogs, etc.

This fine stock attracted a great deal of attention while being driven through the streets and while being loaded into the cars. It is indeed a fine collection, in perfect condition, and it goes without saying that the herd will be the center of attraction in the live stock department at Florida's great show.

Manager Callison is proud of his exhibit, and he has a right to be, for no finer average can be found in the South. Many of them are prize winners at various State fairs throughout the country, one taking the first premium in his class at the World's Fair, St. Louis, and the herd capturing numbers of prizes and diplomas at the State Fair last year.

A competent force accompanied the cattle, who will look after their needs. Manager Callison also went along on the same train, which is expected to reach Tampa this morning.

Manager Callison, who is also county Fair Commissioner, states that all shipments have gone forward, and will be in proper place by noon on Wednesday, when the machinery of the big State Fair will be set in motion.

DO NOT DOSE THE STOMACH.

Cure Catarrh by Breathing Hyomei. Sold Under Guarantee.

The only scientific and commonsense way to treat catarrh of the nose and throat is by a local application that will kill the catarrhal germs.

Ordinary stomach dosing is worse than useless. Taking medicine into the stomach to cure catarrh of the head can have no good effect, and often leads to serious derangement of the digestive organs.

By breathing Hyomei three or four times daily through the neat pocket inhaler that comes with every outfit, its medicated, healing air penetrates to the most remote parts of the nose, throat and lungs, searches out and kills all catarrhal germs, and soothes and heals any irritation in the mucous membrane. J. W. McCollum & Co's. faith in the wonderful merit of Hyomei as a cure for catarrh is shown by the guarantee they give with every Hyomei outfit that the money will be refunded unless the treatment gives satisfaction.

Circus Train Wrecked.

Valdosta, Ga., Nov. 12.—The circus train carrying the shows of Cole Bros., was wrecked at a point near Ashburn, delaying traffic on the Georgia Southern road about six hours. The wreck was caused by a broken truck under one of the circus cars. The train was running at a good rate of speed when the cars left the track. The wreck was a disastrous one for the circus, though no one was injured. The Cole show was giving exhibitions at the small towns along the road.

Decatur donated $15,000 and 60 acres of land, for the home.

STOP, WOMAN!

AND CONSIDER THE ALL-IMPORTANT FACT

That in addressing Mrs. Pinkham you are confiding your private ills to a woman—a woman whose experience with women's diseases covers twenty-five years.

The present Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham, and for many years under her direction, and since her decease, her advice has been freely given to sick women.

Many women suffer in silence and drift along from bad to worse, knowing full well that they ought to have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probable examinations of even their family physician. It is unnecessary. Without money or price you can consult a woman whose knowledge from actual experience is great.

Mrs. Pinkham's Standing Invitation:

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women only. A woman can freely talk of her private illness to a woman; thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken. Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Surely any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.—Lydia E. Pinkham Medicine Co., Lynn, Mass.

Following we publish two letters from a woman who accepted this invitation. Note the result:

First letter.

Dear Mrs. Pinkham:—

"For eight years I have suffered something terrible every month. The pains are excruciating and I can hardly stand them. My doctor says I have a severe female trouble, and I must go through an operation if I want to get well. I do not want to submit to it if I can possibly help it. Please tell me what to do. I hope you can relieve me."—Mrs. Mary Dimmick, 59th and E. Capitol Streets, Washington, D. C.

Second letter.

Dear Mrs. Pinkham:—

"After following carefully your advice, and taking Lydia E. Pinkham's Vegetable Compound, I am very anxious to send you my testimonial, that others may know their value and what you have done for me.

"As you know, I wrote you that my doctor said I must have an operation or I could not live. I then wrote you, telling you my ailments. I followed your advice and am entirely well. I can walk miles without an ache or a pain, and I owe my life to you and to Lydia E. Pinkham's Vegetable Compound. I wish every suffering woman would read this testimonial and realize the value of writing to you and your remedy."—Mrs. Mary Dimmick, 59th and E. Capitol Streets, Washington, D. C.

When a medicine has been successful in restoring to health so many women whose testimony is so unquestionable, you cannot well say, without trying it, "I do not believe it will help me." If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write Mrs Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

MELROSE MENTION.

Sale of Fruit From the Famous Maxwell Grove.

Melrose, Nov. 10.—Capt. D. E. Maxwell's grove near Melrose is the center of attraction for many visitors, as it is now at its best. The fruit has been sold to the Consolidated Fruit Company of Jacksonville, and shipping will commence at an early date. To facilitate the work a new wharf, with a packing house seventy feet long and a storage room of forty feet have been built. The grove contains over 7,000 trees, most of which are in full bearing. It is a sight worth going far to see and visitors are always made welcome by the manager, O. L. Robinson.

In Time of Peace.

In the first months of the Russia-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and given to us our greatest men. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cure of colds and it should be kept at hand ready for instant use. For sale by all druggists.

Gen. Shafter Very Sick Man.

Bakersfield, Cal., Nov. 12.—Major General W. R. Shafter, United States army, retired, is seriously ill with pneumonia at his ranch, 14 miles south of Bakersfield. General Shafter took a bad turn Friday and telegrams were sent to a San Francisco physician to come at once.

Bilious Attack Quickly Cured.

"A few weeks ago I had a bilious attack that was so severe I was not able to go to the office for two days. Failing to get relief from my family physician's treatment, I took three of Chamberlain's Stomach and Liver Tablets and the next day I felt like a new man."—H. C. Bailey, Editor of The News, Chapin, S. C. These tablets are for sale by all druggists.

Prisoner Took His Life.

New Orleans, Nov. 12.—Utilizing his undershirt as a rope, Charles Rogers, aged 39 years, a prisoner in the house of detention, committed suicide by hanging in a cell in that institution. He had been sent to the detention prison Tuesday showing every system of insanity.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Home of Swamp-Root.

They Stand Alone.

Standing out in bold relief, *all alone*, and as a conspicuous example of open, frank and honest dealing with the sick and afflicted, are Dr. Pierce's Favorite Prescription for weak, over-worked, debilitated, nervous, "run-down," pain-racked women, and Dr. Pierce's Golden Medical Discovery, the famous remedy for weak stomach, indigestion, or dyspepsia, torpid liver, or biliousness, all catarrhal affections whether of the stomach, bowels, kidneys, bladder, nasal passages, throat, bronchia, or other mucous passages, also as an effective remedy for all diseases arising from thin, watery or impure blood, as scrofulous and skin affections.

Each bottle of the above medicines bears upon its wrapper a badge of honesty in the full list of ingredients composing it—*printed in plain English.* This frank and open publicity places these medicines *in a class all by themselves,* and is the best guaranty of their merits. They cannot be classed as patent nor secret medicines for they are neither *—being of known composition.*

Dr. Pierce feels that he can afford to take the afflicted into his full confidence and lay all the ingredients of his medicines freely before them because these ingredients are such as are endorsed and most strongly praised by scores of the most eminent medical writers as cures for the diseases for which these medicines are recommended. Therefore, the afflicted do not have to rely alone upon Dr. Pierce's recommendation as to the curative value of his medicines for certain easily recognized diseases.

A glance at the printed formula on each bottle will show that no alcohol and no harmful or habit-forming drugs enter into Dr. Pierce's medicines, they being wholly compounded of glyceric extracts of the roots of native, American forest plants. These are best and safest for the cure of most lingering, chronic diseases. Dr. R. V. Pierce can be consulted FREE, by addressing him at Buffalo, N. Y., and all communications are regarded as sacredly confidential.

It is as easy to be well as ill—and much more comfortable. Constipation is the cause of many forms of illness. Dr. Pierce's Pleasant Pellets cure constipation. They are tiny, sugar-coated granules. One little "Pellet" is a gentle laxative, two a mild cathartic. All dealers in medicines sell them.

St. Louis Gets Balloon Race.

Pittsfield, Mass., Nov. 12.—Announcement is made by officials of the Aero Club of America, that next year's balloon race for the James Gordon Bennett cup will be held in St. Louis some time between May and December. Decision was finally reported on the receipt of a telegram from the Business Men's League of that city announcing that the league would agree to supply 1,500,000 cubic feet of pure coal gas, the entire amount to be furnished within four hours.

Always Was Sick.

When a man says he always was sick, troubled with a cough that lasted all winter—what would you think if he should say he never was sick since using Ballard's Horehound Syrup? Such a man exists. Mr. J. C. Clark, Denver, Colorado, writes: 'For years I was troubled with a severe cough that would last all winter. This cough left me in a miserable condition. I tried Ballard's Horehound Syrup and have not had a sick day since. That's what it did for me.' Sold by W. M. Johnson.

Scott Inglis carpet and furniture company, and the large two-story building of J. D. Williams Bros.' company, dealers in confectionery, toys and house furnishings. The Connell building, an eight-story office structure, adjoining, was damaged on the upper floor.

No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause consumption, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. J. W. McCollum & Co.

Stole Machine Gun.

St. Petersburg, Nov. 12.—The most recent exploit of the St. Petersburg revolutionists is the theft of a machine gun of the latest model and a large supply of cartridges. It is presumed that an expert gunner is involved because all the necessary accessories were simultaneously abstracted from the army. The prefect of police has issued an order specifically emphasizing the necessity of recapturing the gun.

Be Charitable

To your horses as well as to yourself. You need not suffer from pains of any sort—your horses need not suffer. Try a bottle of Ballard's Snow Liniment. It cures all pains. J. M. Roberts, Bakersfield, Mo., writes: "I have used your Liniment for ten years and find it to be the best I have ever used for man or beast." Sold by W. M. Johnson.

Killed Wife in Market.

Harrisburg, Pa., Nov. 12.—Jacob Stehman, a boiler maker employed at the Pennsylvania Stel Works, near here, shot and killed his wife in the crowded Broadway street market Saturday. Stehman and his wife have been living apart for some time, she being employed as housekeeper for a York county trucker who attended market. Stehman went to the market and after failing to persuade his wife to return to his home, shot her.

$100 Fire Loss in Boston.

Boston, Nov. 12.—A dangerous fire early Saturday that was thought to be incendiary, practically ruined a large five-story brick building on Beverly street in the north end, causing a loss of about $100,000, distributed among several manufacturing concerns. Two firemen were overcome by the dense smoke form the Firestone Tire and Rubber company, but later recovered. The police are investigating the cause of the fire.

Sluggish Liver a Foe to Ambition.

You cannot accomplish very much if your liver is inactive as you feel dull, your eyes are heavy and slight exertion exhausts you. Orino Laxative Fruit Syrup stimulates the liver and bowels and makes you feel bright and active. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and very pleasant to take. Orino is more effective than pills or ordinary cathartics. Refuse substitutes. J. W. McCollum & Co.

S.S.S. PURELY VEGETA

The fact that S. S. S. is a purely vegetable preparation, containi the slightest trace of mineral in any form, has been one of the str points in its favor during its forty years of existence. It is reco everywhere not only as the best of all blood purifiers, but the one m that can be taken with absolute safety by the youngest child or the member of the family. Next in importance to removing the cause disease is the condition in which the system is left after a course of m treatment. Medicines containing mercury, potash or other strong m ingredients often do permanent injury by eating out the delicate lini tissues of the stomach, producing chronic dyspepsia, unfavorably aff the bowels and so damaging the system that even if the original ca the disease has been removed, it is left in such a deranged and weakened condition that the health is permanently impaired. S. S. S. enjoys the distinction of being the only blood medicine on the market that does not contain a mineral property in some form. Being made entirely of roots, herbs and barks it is absolutely harmless to any part of the system, and while curing disease adds str and health to every part of the body. S. S. S. removes all poisons, fre and purifies the blood and gives better and more lasting results tha other blood medicine. S. S. S. is the very best treatment for Rheum Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood P and all troubles due to an impure or poisoned blood supply. Veterans of the Confederacy! The Sun joins today with the entire people of Gainesville in extending to you a sincere and hearty welcome to our city and to the hearts and hearthstones of its citizens. Your presence among us stirs to its bottom the fountain of purest and noblest emotions, and kindles anew in every bosom the proudest and proudest patriotism that ever burned in human breast—the Southern man's love for the Southland.

Forty years have come and gone since, yielding to a superiority of resources and numbers against which no skill or courage could avail, you furled forever the Bonnie Blue Flag, and accepting as only such heroes could the fortunes of war, you turned to your ruined homes, and beating your bayonets into ploughshares, set about with a courage and a patience such as the world has rarely witnessed, to rebuild your fallen fortunes and to raise up for us, your children, on the ashes of the old this New South that stands today in its beauty and pride an imperishable monument to your patience, your invincible determination, your unconquerable courage. We are proud of this New South you have given us, with its growing industries, its thrifty people, its magnificent enterprises, its teeming marts, its rich and populous cities; but dearer than life itself to every true son of this Southland are the sacred memories of the Old South, its chivalry, its heroism, its nobility, its traditions—the last representatives of which we see in you today.

The cause for which you so long and nobly fought was lost; and though there are those of us who say it was best it should have been, that right must triumph, and therefore you were wrong, yet, for ourself, we are not among that number. We prefer to think you were right, grandly, eternally right, and that the question is yet an open one awaiting a final settlement. For thirty years every opinion handed down by the Supreme Court of the United States even remotely bearing upon the question so long and so fiercely argued in that awful struggle, has been a judgment in your favor and reversing the decision at Appomattox.

We are glad to have you with us, and trust that your stay will be pleasant to you. In our homes you meet together to recount your experiences and live over again the evenings around the camp fires of '61 to '65.

May your lives be long precious in God's sight; and, to paraphrase Ossian,

When the muffled drum's sad roll has beat
For you its last tattoo,
And in the camp above shall meet
Your spirits tried and true,
On Fame's eternal camping ground,
May your white tents be spread,
And there guard with watchful round
The bivouac of the dead.

ORGANIZATION NEEDED.

The late election may fairly be called a drawn battle, for while the Democrats lost ground in some States, they gained about 25 seats in the House of Representatives, reducing the Republican majority from over one hundred to about fifty. The general trend of the elections showed gains for the Democrats in the cities, due to the aid of organized labor, and a standstill vote in the country, which requires more information before accounting for it. It is hardly probable that farmers endorsed the standpat tariff doctrine which plunders them and enriches the trusts and corporations, yet many farmers were evidently too busy or or too well satisfied to take the trouble to vote.

The more complete organization and the money of the tariff protected trusts enabled the Republicans to bring out the vote of their regular supporters, while the lack of the necessary money to pay for teams and workers led to many Democrats staying away from the polls. The result of the election therefore shows that the great need of the Democrats is a more thorough organization, and this work should at once be undertaken by the party committees who are in charge of the organization. Such work can be but very partially accomplished in the heat of a campaign, and to put it off until a presidential nomination is made is to invite another defeat.

There is no doubt that more than half the voters of the United States are either Democrats, or believe in Democratic policies, but if unorganized they cannot be brought to the polls and counted. Instead of waiting, however, for the leaders to move, the Democratic workers in every township and county should take account of stock and find out how many reliable Democrats there are in their locality and then urge action by the State committees to supply the necessary literature and arguments to win over the doubtful and independent voter.

There is lots of work to be done in the next two years, and patriotic Democrats will have to do it, and thus enthuse those who otherwise would lag in the reforms that are so much needed.

The Atlantic Wireless Company have reopened their station at La Brista, Key West, Fla. This time with redoubled energy to make it the best and most successful commercial station on the coast. The station has commenced commercial communication with all wireless-equipped ships at sea, and a heavy business with Havana is expected, owing to the cheapness and perfection of the service obtained.

The Ocala Banner seems to think that the people did not understand the question when they voted against drainage. Evidently The Banner has a poor opinion of Governor Broward's ability to explain, for if the people were left in the dark as to the drainage amendment it was not because the Governor did not do his best to convince them that it was to their interest to vote for it.

There was an error of ten votes in the total given for the drainage amendment in Sunday's Sun. The total should have been 666 for and 185 against the amendment, making the majority against drainage 481. So far as heard from officially Alachua county gave the largest majority of any county in the State against the proposition.

The Tampa Daily Herald and Daily Globe have been consolidated and are now issued under the name of The Tampa Evening News. In addition to the afternoon edition a mammoth Sunday morning edition will be issued. The new corporation has ample capital behind it and its success is assured.

Jim Johnson, an ex-slave who had been in the family ever since his birth, drove the family carriage at Mrs. Jeff Davis' funeral. Probably if there had been more Davis' and more Johnsons there never would have been a war or a race question.

The bedeviled policy-holders of the life insurance companies are now being bled to elect their own officers, and only two years ago they were being bled to elect Roosevelt. Their lot could be no worse if they were Federal officials.

All the proposed amendments to the Constitution were voted down at the recent election. It therefore seems that the people are tired of the fundamental law being tinkered with.

There is no truth in the report that Charlie Murphy was severely injured in his struggle to get on the reception committee that is going to welcome Mr. Croker back to New York.

The Cleanest Chew Made!

Schnapps

If you could see how SCHNAPPS is made and sniff the delightfully appetizing aroma of the thoroughly cured, well matured tobacco of which it is made, you would discover the reasons for the big difference between SCHNAPPS and its imitators.

SCHNAPPS is clean! The Reynolds factories are as clean as the cleanest kitchen—the tobacco in manufacture is scarcely touched by human hands—with special machinery to cleanse the leaf and produce clean chewing tobacco.

When such scrupulous care is taken with the choicest selections of tobacco from America's finest chewing tobacco districts, can you wonder that SCHNAPPS is so satisfying, so pure, so appetizing and wholesome—so different from chews that pretend to be as good? Expert tests prove that this superior tobacco requires and takes a smaller amount of sweetening than any other kind—and has a wholesome, stimulating and satisfying effect on chewers.

Be sure the letters on the tag and under the tag spell *S-c-h-n-a-p-p-s*. The Reynolds Company is under the direction of the same men who have managed it since 1875, and who have made the chewing tobacco business a life-study.

There are plenty of plugs that look like Schnapps, without the same satisfying chewing qualities.

CHISHOLM CASE CALLED.

Trial of Former Paying Teller Begins at Birmingham.

Birmingham, Ala., Nov. 12.—The taking of testimony in the case of Alex R. Chisholm, former paying teller of the First National bank of Birmingham, who defaulted for $100,000, began in the United States court Saturday.

The first witness was W. P. G. Harding, president of the bank, who testified that the shortage of $100,000 in the bank's cash was first reported to him on Aug. 7. At that time Chisholm was away on his vacation. When Chisholm returned and was questioned, he said he was sorry to hear of the shortage, that the cash was all right when he left and that he had left $150,000 in the reserve box. Later, said Harding, Chisholm confessed to the shortage and said he alone was responsible. He also gave the details of how he abstracted the money from the reserve box while the keys had been left in for a few moments by President Harding. Harding testified that Chisholm had told him that he lost the entire amount in cotton speculation and "had not blown in any of it." Harding said he had not threatened Chisholm or offered him a reward for a confession.

TERRIBLE ITCHING SCALP HUMOR

Badly Affected With Sores and Crusts—Extended Down Behind the Ears—Some Years Later Painful and Itching Pustules Broke Out on Lower Part of Body—Son Also Affected.

A TRIPLE CURE BY CUTICURA REMEDIES

"About ten years ago my scalp became badly affected with sore and itching humors, crusts, etc., and extending down behind the ears. My hair came out in places also. I was greatly troubled; understood it was eczema. Tried various remedies, so called, without effect. Saw your Cuticura advertisement, and got them at once. Applied them as to directions, etc., and after two weeks, I think, of use, was clear as a whistle.

"I have to state also that late last fall, October and November, 1904, I was suddenly afflicted with a bad eruption, painful and itching pustules over the lower part of the body. I suffered dreadfully. In two months, under the skilful treatment of my doctor, conjoined with Cuticura Soap and Cuticura Ointment, I found myself cured.

"Six years ago my son was laid up with a severe cold, a hard cough, and finally painful eruption all over the body. I procured the Cuticura Remedies as soon as possible, and after his faithful use of same was as well as ever in two weeks, as well as I can recall. He has never had a return of the illness, as far as I know.

"I have always been pleased to commend the Cuticura Remedies, and testify as to their efficacy. I am a veteran of the late Civil War, '61-'65, between seventy and eighty years of age. Yours truly, H. M. F. Weiss, Rosemond, Christian Co., Ill., Aug. 31, 1905."

Complete External and Internal Treatment for every Humor, from Pimples to Scrofula, from Infancy to Age, consisting of Cuticura Soap, 25c., Ointment, 50c., Resolvent, 50c. ELOPED WITH SCHOOL GIRL.

Later He Was Informed that He Had Been Left a Fortune.

Richmond, Va., Nov. 12.—John Egan, of Savannah, Ga., 21 years of age, upon receiving his discharge from the navy, eloped with Miss Annie Reedy, a school girl in short skirts, to Portsmouth, where they were married.

An hour later, when about to leave for the south with his pretty young bride, Egan was informed that he had just been left a fortune by a rich uncle in Georgia. The couple carried out their program of leaving for the groom's Savannah home, where they will reside in future.

Egan met Miss Reedy while at work in the navy yard on the occasion of a visit to the yard by her with a party of friends. In spite of her youth the young man fell in love with the pretty child and visited her as often as the nature of his work and her school duties would permit.

The parents of the girl did not know that the attachmen between the two was of so serious a nature until the simultaneous absence of both had aroused suspicion. The young people were then in Portsmouth seeking a minister. One of the first duties of the young husband was to supply his pretty bride with a long skirt.

She did up her hair for the first time after the ceremony.

I can personally recommend this medicine as I have used it myself and given it to my children and always with the best of results." For sale by all druggists.

Cooper's Medicines In Great Demand

The remarkable demand for the New Discovery medicines with which L. T. Cooper has been having such wonderful success in the cure of stomach and kidney troubles, catarrh, rheumatism and other diseases seems to increase every day. His visit in New Orleans for the past few weeks has created a sensation in the South, the like of which has never been known.

His remedies are well known in this section of the country, and the famous cures which they have effected in St. Louis, Milwaukee, St. Paul, Minneapolis, and other large cities of the central western States are well remembered. The retail druggists say they have never known any medicines for which there was such a constant demand and the continued reports of marvelous cures that are being published everywhere are a topic of universal interest.

The newspapers of New Orleans are still printing interviews with those whose cases are most extraordinary and as this, the last week of Cooper's visit, draws to a close, the excitement seems to have increased rather than abated.

One case in particular that has attracted especial attention during the past few days is that of Mr. Leon Labusquiere, 1014 Burgundy St., New Orleans, who had been sick for fifteen years and had doctored for various diseases without result. There was a bright twinkle in the man's eye and a radiant smile on his face as he greeted his interviewer the other day, which seemed to bespeak anything but poor health. "I shall be pleased to state my experience," he said, in answer to a request, "for my case has been a most remarkable one, and I am glad of the opportunity to tell the public what these wonderful medicines have done for me. My suffering for the past fifteen years has been more than I can describe, for during all that time I have seldom had a well day. My appetite was very irregular. Sometimes I could not get enough to eat and at other times the very sight of food would make me sick. I suffered greatly from constipation. I did not seem to get any strength from what I ate, was always tired, and the slightest exertion would wear me out completely. It was a great effort for me to attend to my duties. I was very nervous and at night I could not rest well. I would wake up in the morning as tired as when I went to bed. There were few days that I did not have a dreadful headache and times would have queer dizzy spells. I thought for a time that I had catarrh and doctored for it, but without relief. Nothing I could do seemed to benefit me, and when I began to hear of the wonderful success Cooper was having with his medicines in the treatment of cases similar to mine, I began using his medicines.

"After I had taken his New Discovery medicine only a few days a horrible tapeworm of enormous size passed from my system and then I knew what had been causing me all this trouble. From that time I improved rapidly, and now feel well and strong again. I will gladly give any information I can to any one who is suffering as I was."

The sale of Cooper's medicine in Gainesville has been phenomenal and at J. W. McCollam & Co's. drug store, where the remedies are sold in this city, it is said some very remarkable cures have been reported right here at home.

AN AGED PHYSICIAN

After Years of Experience Gives the Following Advice:

"If you have anything to do with medicines at all be pretty sure you know what you are taking."

Our local druggist, W. M. Johnson, says this is a strong point in favor of their valuable cod liver preparation, Vinol. Everything it contains is plainly printed on the label, therefore it is not a patent medicine.

Vinol contains in a highly concentrated form all of the medicinal elements of cod liver oil, actually taken from fresh cods' livers, but with the useless, nauseating oil eliminated and tonic iron, which is a needful constituent for the blood, added.

This is the reason that Vinol accomplishes such wonderful results in curing chronic coughs, colds, bronchial and lung troubles, and there is nothing known to medicine that will so quickly build up the run-down, overworked, tired and debilitated, or give strength and renewed vitality to the aged, as Vinol.

We can only ask every person in Gainesville who needs such a medicine to try Vinol on our offer to return their money if it fails.—W. M. Johnson, Druggist.

NOTE—While we are sole agents for Vinol in Gainesville, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

Mrs. Elizabeth Smith has returned from Eaton Rapids, Mich., and will spend the winter here. The many friends of this estimable lady are glad to have her with them again. Her present address is 303 North Oak Ave.

G. W. Peacock and wife and Mrs. J. W. Peacock were in town from Hawthorn yesterday. Mr. Peacock is the owner of one of the finest orange groves in Alachua county, and says the fruit this season is of extra fine quality.

The Seaboard Air Line will sell, account State Fair, tickets from Gainesville to Tampa and return at one fare, plus 25 cents. Children's rate, half fare. Tickets will be placed on sale November 13, 15, 17, 20, 22, 24, 27 and 29, good returning to and including November 30. Trains leave Gainesville at 7:30 a. m. and 2 p. m. Morning train puts you in Tampa in time for supper. See Mr. Cobb.

The Atlantic Coast Line will sell from all points in Florida to Gainesville, November 12th-13th, account of the Florida Division of the Confederate Veterans' Reunion, tickets at the rate of one cent per mile plus twenty-five cents, with limit to return not later than midnight of the 16th. See your nearest railroad agent for exact rate, or for any further information write Frank C. Boylston, District Passenger Agent, Atlantic Coast Line, Jacksonville, Fla.

Charlie Goodman, who resided about four miles east of this city, died at the Odd Fellows' Home Sunday. He came here about twenty years ago with Rev. F. B. Denham from Chicago, and was a peaceable, unoffending citizen. Mr. Ferdinand Bayer found him in destitute circumstances and helpless condition at his home several days ago and took him to the Home, where he was tenderly cared for. The funeral was held from the Episcopal church yesterday afternoon. Mr. Goodman had relatives residing in Chicago.
